**Comforting Solutions That Help You Stay in Your Home**

Your home is important to you. It is a reflection of who you are. Whether it's where you raised your family or where you have only lived a few years. Every room, every piece of furniture, every photograph, every keepsake represents you and your life. It is only natural that you want to stay in your own home as long as possible.

**Life Saver**

Was founded with a single goal in mind, "to help people stay in their own homes". We will work with you to formulate a care plan that incorporates your needs, your wishes and your preferred schedule. Our caregivers provide quality services ranging from Companion Services to assistance with Activities of Daily Living (ADL's).

Whether services are needed for a few hours a day or around the clock, our caregivers are available to meet your needs.

**How Can We Help You?**

Our staff is a special team of qualified Licensed Nurses, Certified Nursing Assistants, Restorative Nursing Aides, Certified Home Health Aides, Personal Caregivers and Homemaker Companions. Each member is carefully screened and selected for their experience, reliability, dependability and most of all their caring nature.

*We also realize the importance of having the same caregivers assigned to you. Giving you not only continuity of care but also the personalized attention that you deserve.*

**Our Mission**

is to provide our clients with the highest level and quality of life that is achievable.

**Our Vision**

we shall treat each of our clients with the respect and dignity they deserve as though we were caring for a member of our own family.
